

Races

Courses have been chosen with the utmost consideration for safety and rideability.

Ultra 12 Hour

This is an Ultra-Marathon Cycling Association sanctioned 12 hour event. Competitors ride as many miles as they can in 12 hours. Event starts at the historic 12 Hours of Sebring Race Track. Awards will be given in gender and age groups for singles, tandem, recumbent and special bikes.

Course Description:

Course begins with 3 laps (3.7 miles each) on the famous Sebring race course. Riders then transition to flat, sometimes rolling roads with a minimum amount of traffic which comprise the long loop (89 miles). This is followed by an 11-mile short loop until the riders are returned to the race track between 5:30 - 5:45 pm.

24 Hour Option

This is a non-drafting RAAM qualifying event, open to the public. This event starts at the same time and place as our Ultra 12 Hour event, but doesn't end until the next morning!

Course Description:

This course begins with 3 laps (3.7 miles each) on the famous Sebring race course. Riders then transition to flat, sometimes rolling roads with a minimum amount of traffic which comprise the long loop (89 miles). This is followed by an 11-mile short loop that riders will stay on until evening. As darkness sets in, racers will continue on the racetrack course throughout the night. The racetrack course will be illuminated for easy identification of the route. Bicycle lights are recommended for the final 12 hours of the 24-hour race.

Century

Course Description:

This event includes travel for 3 laps on the famous Sebring Raceway track. Riders will then ride a loop of 89 miles throughout Highlands County. The event is a total of 100 miles. It is considered the equivalent to a marathon for runners and walkers.

Race Information

S.A.G. = Support and Gear

The acronym S.A.G. originated with a 1930's British expression about riders "sagging" off the back of the group. It was adapted to describe a "follow vehicle" which riders relied upon when the effort became too difficult and they dropped out of a race.

SAG often represents "support and gear"
"gear" referring to mechanical support.

SAG Guidelines for Bike Sebring:

Please remember, we hold 4 races concurrently.
Therefore, the guidelines below must be followed for the safety of all.

NO Rolling SAG is allowed during the races

Short Loop:

SAGs may park at the ball field.
Riders **MUST** stop for hand-off.
No hand-offs can interfere with another rider.

Long Loop:

Racetrack:

SAGS should take a pit position to ensure safety.

No "follow-cars" or SAG will be allowed to tail a rider or interfere with other riders on the course. No more than 30 seconds may be spent beside moving rider while communicating.

Thank you for your cooperation!
